International law directories list Philipp Strasser as one of the leading Austrian experts for corporate dispute resolution and insurance law.

His advice particularly focuses on insurance as well as corporate law.

He has many years of experience in resolving contentious disputes in the fields of insurance contract law, corporate law, construction, and the law on the provision of financial services. He also advises clients in post M&A-, restructuring-, shareholder and liability/coverage disputes.

Philipp Strasser's clients include companies, managers and legal departments across various industries. He is also frequently mandated by national and international insurers. In this context, he exclusively represents and advises insurers as well as clients acting for or on the insurer's side, including those in the financial lines/speciality lines sectors (D&O, E&O/FIPI, POSI, W&I/TRI, PI, cyber, crime etc.) as well as the industrial liability insurance, professional liability for consultants insurance and the general property insurance sector.
